FYI..for confirmation. The open session is going to deal with the new ICC model, which I won't be speaking on.

Thanks,

Patts

Good morning,

This below email was sent last night about the special Board meeting tomorrow. The OPP are prepared to provide an in-camera intelligence briefing. Who will be delivering the integrated operations model in the public session?

Chair

I appreciate the call and agree that a public session briefing on the integrated operations model followed by an in-camera session for the intelligence briefing.

This depends on the availability of the OPP Intelligence commander. Christiane is working on confirming this.

John will work with Krista on the overall scheduling and logistics.

Regards,

ps

Good evening Chief,

As per our phone conversation, I will work with John and Krista to set up a Board meeting tomorrow. The public portion of the meeting will be a briefing on the ICC and then we will go in-camera for the intelligence briefing. Can you confirm once you have secured the OPP intelligence officer and reps from the OPP and RCMP for the ICC briefing?

Thanks,
Diane

Subject: ICC Board Briefing

Good afternoon Chief Sloly,

Thank you for taking the time today to provide me with a brief update on the implementation of the enhanced Integrated Command Centre (ICC).

It is important that the Board have a full understanding of how this new Command Centre will impact the Services' resource requirements, command structure, and decision making moving forward.

I would like to invite representatives from the OPP and RCMP to the briefing, please advise who I should direct this invitation to for both agencies.

I recommend that this briefing take place tomorrow. I will wait to hear back from you before making the arrangements with Krista.

Thanks,
Diane
